Proclamation No. 1

Series A

August 2018

Warm Fraternal Greetings,

To all Grand Lodge Officers, District Deputy Grand Masters, Worshipful Masters, Wardens, Past Grand Masters and Brethren of all Subordinate Lodges and Affiliated Bodies of the MW Prince Hall Grand lodge F&AM of Missouri Jurisdiction:

The 152nd Annual Session of the MW Prince Hall Grand Lodge of Missouri closed Friday, July 10th, 2018, and is now history. It was a peaceful and harmonious session. We are justly proud of the achievements we have made, but we shall not stop here.

Our efforts should now be diverted toward making our Lodges and Affiliated Bodies the greatest fraternal organization in the world. We shall not rest on past laurels. There is no place in our fraternity for complacency.

I, therefore, call on each Brother and Sister of the adopted rites to stand with us and take a new look at our beloved organization and the principles for which they stand. Let us heal what divides us; let us stand as a unified body in an effort to strengthen the fraternal cord that binds us. Let no malice exist, but let us be charitable to one another; let not ignoble intentions continue to be our sword of Damocles, and never forget we are the vanguards of what is good and right, pleasing in the eyes of the LORD.

Our Motto Shall Be: *With Charity Toward All and Malice Toward None!*

I wish to thank the members of the MWPHGL of Missouri for electing me to this high office. You have my commitment and promise to promote Prince Hall Freemasonry in our jurisdiction to even greater heights through Prudence, Temperance, Justice and Peace under the Divine Guidance from the Grand Artificer of the Universe. As the 46th MW Grand Master, I do proclaim the following herein:

Acknowledgement: Just a few short weeks ago, our late and beloved Brother, Past Grand Secretary “T. Charles” expressed his delight in continuing his labors in THIS administration. Then a short time later, the Great Architect of the Universe rewarded him with a ticket to the Great beyond, to serve in **HIS** Administration. We salute our late brother, Theophilis Charles, for his years of hard work and tireless dedication. We are a better jurisdiction because of his love and the many systems that he put in place, that we work within, to this day.

MASONIC CIVIC CHARGE

A clarion call goes out throughout the Missouri Jurisdiction for this Masonic Family to once again become civic minded citizens. We have an obligation to reclaim the Masonic legacy of building power and thereby impacting the communities in which we live. Whether we act as a Masonic body or as individual citizens, each member has the responsibility of building meaningful relationships with an ultimate goal of organizing people power. Many local elections are won by 30 to 50 vote margins. We can no longer stand

idly by and allow others to elect those who represent us, pass tax levies, school bond issues and etc. which impact us, and we not vote. This fraternal body is non-political and non-partisan, however we must be informed citizens with the responsibility of informing, educating and motivating those in our communities as to their obligation to register to vote and on Election Day to actually VOTE! The most successful voter engagements has proven to be one on one conversations with family members; friends and neighbors and then insure they actually VOTE!

Power concedes nothing without a demand. It never did and it never will... (Frederick Douglass) In closing Brothers, remember you are the face of Prince Hall Freemasonry. Your conduct in public or private is a reflection on each of us remember, we shall treat our Sister as the jewels they are without exception. Be Prudent, Discreet and Humble at all times, we shall re-mold our image into the character of old. I am asking your help to make this a reality.
